Federal Communications Commission
Office of the Secretary

Dear Donna,

I am in very much support of your Docket RM 7869.
It is bad Enough that we lost part of the 222 MHZ earlier
this year. But if you remove the portion of the 222 as stated
in Docket RM 7869 you will be removing a area that a lot of
us enjoy and have invested quite a bit heavily in.

Thanks

June Metty
